

Welcome to Contact-free Trade Shows!

Our trade shows are ready to continue supporting trade in the new normal period. Enriched with digital solutions and applications, our hybrid shows will provide contact-free experience to all exhibitors & attendees. Your health is our top priority. As Tüyap Fair Organization Group, we have taken a series of precautions in the fair area and developed a contact-free experience so that all of our customers, attendees and employees can continue their work without any concerns about their health.

What does Contact-free Trade Show Experience mean?

You will have digital access to everything you may need before, during and after the show. From registering to entering the venue, having meetings to exchanging business cards you can use our mobil application for a contact-free experience.

How Can I Benefit?

1. Register Online

Register for the show you want to visit through the show website or MyTüyap mobile application.

2. Your Badge is Ready

After completing the registration, you can either print your own badge or save the QR code we sent you to your phone.

3. Contact-free Entry

Enter the show venue without waiting in line by using the QR code on your phone or your printed badge.

4. Have Meetings

Meet and network in meeting areas arranged in accordance with social distance rules.

5. Contact-free Exchange

Share your contact information using the business card exchange feature of MyTüyap application. Save the information of the people you meet using the same feature.
